

As is the tradition of this governing body, we begin each day with a prayer. I am so pleased that Chaplain Michaels is offering that prayer today.

He is the CEO, founder, and national trauma care specialist for Serve & Protect, an international nonprofit organization dedicated to comprehensive and confidential trauma care and therapy for police officers, firefighters, rescue workers, dispatchers, and other emergency workers.

Chaplain Michaels served in law enforcement with the 229th Military Police Battalion of the Virginia Army National Guard, as well as with the Norfolk, Virginia, police department.

He serves as chaplain for the FBI Memphis division, Nashville R.A., State chaplain for Tennessee FOP, and is a chaplain and second vice president for Morris Heithcock FOP Lodge 41 in Williamson County, Tennessee, where he is an active member and leads a Bible study group for first responders.

He is a member of the American Academy of Experts in Trauma Stress, National Center for Crisis Management, the International Conference of Police Chaplains, and Federation of Fire Chaplains. He holds a BA from Columbia International University and an MA from Wheaton College.

Mr. Speaker, please join me in welcoming Chaplain Michaels today and expressing gratitude for the good work that he does for our law enforcement and emergency workers each and every day.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. WENSTRUP). The Chair will entertain up to 15 further requests for 1-minute speeches on each side of the aisle.

CONGRATULATING THE ROWAN LITTLE LEAGUE SOFTBALL TEAM

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Mr. Speaker, today, I rise to recognize the members of Rowan Little League's 12-under softball team.

Kaylin Dowling, Allison Ennis, Kary Hales, Caylie Keller, Caitlin Mann, Kali Morton, Taylor Sanborn, Megyn Spicer, Liza Simmerson, Jaden Vaughn, Taylor Walton, Ellie Wilhelm, and Ellen Yang played their hearts out during the Little League Softball World Series in Portland, Oregon, and emerged as world champions.

Coach Steve Yang, with assistance from Coaches Eric Dowling and Rob Hales, led the team, who went 5-1 in the tournament and outscored their opponents 43-6 during the winning campaign.

After scoring four runs in the first inning of the championship game versus East regional champs, Rhode Island, the team relied on exceptional pitching and outstanding defensive play to win the game.

I commend these young athletes and congratulate them on a job well done. North Carolina is incredibly proud of the teamwork, dedication, and perseverance they exhibited on the way to this extraordinary achievement.

HONORING THE LIFE AND SERVICE OF SHANE CLIFTON

(Ms. MCCOLLUM asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. MCCOLLUM. Mr. Speaker, yesterday, I attended a visitation for St. Paul firefighter and paramedic Shane Clifton. Mr. Clifton passed away while on duty at Fire Station 14 in St. Paul, Minnesota.

In addition to his duties as firefighter and paramedic, Shane served in Afghanistan and Iraq as a member of the United States Navy and participated in humanitarian missions in Haiti.

Shane and firefighters around Minnesota and our Nation sacrifice time away from their families, work long hours, and put their lives at risk to keep our communities safe. We owe all of our first responders an incredible debt of gratitude for ensuring our public safety.

Shane served the city of St. Paul bravely and his death is a tragedy. The city of St. Paul, Fire Station 14, and his family will all miss his presence dearly.

My thoughts and prayers are with his children, his family, and his brothers and sisters in the St. Paul Fire Department.

Rest in peace, Shane.

IRAN AND FAILED PRESIDENTIAL LEADERSHIP

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, the President's failure to lead our Nation for a strategy of peace through strength has resulted in mass murders in the Middle East.

We have seen his failure to take action after Syria violated his declared "red line" and used chemical weapons against its citizens. We have seen his failure in recognizing ISIL-Daesh as a deadly threat to American families as the "JV" team. The President has been inaccurate in describing his dangerous nuclear deal.

Sadly, we read tragic stories of men, women, and children fleeing their homes in Syria. They are escaping a murderous government, the same government propped up by the Iranian regime. The President is establishing a failed dangerous legacy that has left the Middle East in wars and mayhem with refugees and migrants drowning at sea.

Ambassador John Bolton said it best when he remarked:

Obama's mistakes make it impossible to travel in time back to a theoretical world where sanctions might have derailed Iran's nuclear weapons program.

I believe the President has abandoned the young people of Iran seeking regime change.

In conclusion, God bless our troops, and may the President by his actions never forget September the 11th in the global war on terrorism.

HONORING THE MEMORIES OF MORRIS AND BETH FAITELEWICZ AND YEHUDA BAYME

(Ms. VELÁZQUEZ asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. VELÁZQUEZ. Mr. Speaker, on Monday, three New Yorkers—Morris and Beth Faitelewicz, who celebrated their 33rd wedding anniversary in June, and Yehuda Bayme, fiancé to their only daughter—lost their lives in a Sullivan County car accident.

This tragedy is being felt deeply in the Lower East Side. Not only were they respected community members, but Morris and Beth had been involved in response and recovery efforts on 9/11.

Morris served as vice chair of Manhattan's Community Board 3, was city-wide coordinator and deputy inspector of NYPD's Auxiliary Volunteer Emergency Services Rescue Unit in the World Trade Center area, and was a dedicated Hatzolah member.

He was among the first to rush to the World Trade Center. For his efforts, he earned a Port Authority exceptional service award and a city council proclamation. Beth, an ER nurse, also served with distinction after the towers collapsed.

I ask my colleagues to join me in honoring their memories.

Rest in peace.

MAYERS MEMORIAL HOSPITAL SUCCESS

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, I rise today to recognize the Mayers Memorial Hospital in my district, the First District of California, in Fall River Mills, eastern Shasta County, not only for their commitment to deliver exemplary healthcare services to the northeast area of rural California, but also in congratulations for, after years of planning and diligence on their part, Mayers was recently awarded a \$21 million USDA rural development grant to address the hospital and region's most urgent needs, including replacement facilities for emergency departments, acute care, and diagnostic services, while making the facility compliant with California's rigid earthquake mandates that will make the building in seismic code by 2020.

Access to healthcare services is already critical and a big challenge in
